

David Lengyel

Product Designer

Prague, Czechia
(00420) 737 909 974
david.lengyel@gmail.com

Product designer for complex, constraint-heavy products. I simplify difficult flows, stay close to research, and favor clear decisions based on evidence.

Experience

Product Designer

Sep 2025 – present

[Direct Fidoo](#)

Designed Ecosystem and Marketplace experiences for a B2B fintech serving SMEs. Shaped partner journeys across insurance, fleet, factoring, and credit loans. Built reusable wizard patterns and scalable onboarding templates. Balanced clarity, system constraints, and partner needs.

Product Designer

Jan 2024 – Jun 2025

[Košík.cz](#)

Shipped simplified shopping experience features based on customer insight. Led the Continuous Product Discovery habits initiative within the product team.

Product Designer

May 2020 – Mar 2024

[Showmax](#)

Designed the SVOD mobile product experience across Android and iOS. Ran weekly Continuous Product Discovery interviews across two continents. Helped build an in-house mobile design system from scratch.

UX/UI Developer

Apr 2016 – Mar 2020

[Bluewolf, an IBM Company](#)

Designed custom Salesforce apps with engineers and consultants for LVMH, TAG Heuer, and Three UK.

Freelance Frontend Developer

Sep 2004 – Mar 2016

[Freelance](#)

Delivered client frontend work with a strong focus on accessibility and usability.
